DEPUTY GRAND COUNCIL CHIEF ACTIVITY REPORT

JUNE 2010 – AUGUST 2010

Ahnnii

Since our last report, Grand Council Chief Patrick Madahbee and I have been participating in as many Pow Wow gatherings as possible over and above our regular business. We have found this to be very informative, meeting with the citizens of the First Nations.

I am very excited on the forward movement of Governance. Beginning the first week of November till next April we at the Union of Ontario Indians will commence meeting with First Nation Communities on developing our Governance –Restoration of Jurisdiction.

Child Welfare Issues are moving forward as well, the Band Rep issue is seriously been worked on among other things. The Class Action Law Suit “The Sixty Scoop Litigation” has finally come; I sincerely hope that this will have a positive step in taking over the Jurisdiction of our First Nation Child Welfare.

In closing I would like to send out my good wishes to you all as you enjoy the upcoming holidays with your Families.

Respectfully

Glen Hare
