

Anishinabek

## DEPUTY GRAND COUNCIL CHIEF

### ACTIVITY REPORT

April 2011 – July 2011

Chiefs Elders & Citizens

Our Community Engagement Sessions have been held in various areas within the Anishinabek territory and have been very informative and well attended by individuals. We are looking forward to the future developments on this issue.

GCC Patrick and I have made a concerted effort to attend the important events whether it is regarding Child Welfare or Elders Gatherings. We had the opportunity to participate with the Children at The Buzz on Drugs Conference, and recently we attended the Elders Gathering.

We are proud of the accomplishments of our First Nation Communities and have attended a variety of Grand Openings; our congratulations also go out to those individuals who strive to improve life; such as the Water Walkers and their dedication to promoting awareness to the sacredness of our precious water. Our heartfelt thanks go out to the women and all those who participated in this international walk.

I would like to take this opportunity wish everyone a safe and happy summer, and look forward to meeting all of you at the next assembly.

Respectfully

Ba maa pii miiniwa
