GRAND COUNCIL CHIEF ACTIVITY REPORT

September 2010 – March 2011

Attached for your review is an overview of the many activities conducted for this time period.

Algonquin

Ojibwa

Chippewa

Delaware

Mississauga

Odawa

Potawatomi

We have been periodically providing key messaging in the Anishinabek News and the political calendar of the UOI website. We have continually strived to advance key issues with individual First Nations in meetings with various ministers and are active on the global issues affecting all our communities.

Engagements on Governance, Constitutional Development & Resource Benefit Sharing have been issues we have focussed our attention. As we move forward, Education, Health, Economic Development and ongoing Treaty & Resource issues will be priority activity.
