

Anishinabek.ca Youth Page
Showcase your Art - Share your talent with the world

We invite all youth artists in all media (mixed media, painting, sculpture, drawing, writers, poems, dancing, videos, photos, etc.) to submit articles/blogs/artwork for display on this web page.

Tell us: what inspired you, what medium you used, what your message is unless you want to leave it up to the imagination, and finally, what you hope for your life and for the future through your art or other forms of creative expression.

Capture photos of your life, challenges or things that bring you joy or inspiration.

If you are not an artist but have other special skills, we want to hear about them and your achievements.

This is your page to be a part of, to express your views, to lend your voice, and to say to the Anishinabek Nation and the world that Anishinabek Youth matter.

Please send your submissions with contact information to the attention of Rhonda Couchie, Special Projects Coordinator, by email at courho@anishinabek.ca, by fax at (705) 497-9135 or by mail at Union of Ontario Indians, P.O. Box 711, North Bay ON P1B 8J8.
