

DEPUTY GRAND COUNCIL CHIEF ACTIVITY REPORT September 2014 – November 2014

Aanii Gimaa

The last few months have had their busy times where we were on the road constantly. It is good to be busy but as you all know it is always good to get the chance to be home with family.

Algonquin

During the month of September, the First Nation Housing meeting was held in Wiikwemkoong (their official name). The meeting went well even though there are ongoing issues in regards to First Nation Housing. We also hired our new Chief Operating Officer - Allan Dokis. The visits to our South East First Nations went well, and all were glad that we stop in on regular bases.

Ojibwa

Chippewa

The month of October Grand Council Chief and I met with the Government in Toronto on Child Welfare Issues. At the North Bay Friendship Center I attended a gathering on Murdered and Missing Women. Unfortunately, there have been many funerals within our First Nations; that I have attended.

Delaware

I was invited to assist with North Shore Elders on Natural Resources within their Region. The First Nation Fire Fighters also wanted assistance with their issues, both groups request support at our Assembly.

Mississauga

Odawa

The Union of Ontario Indians Assembly was very well attended once again. Thank you to all the Leadership for your support in moving forward, as always. And again thank you to all the U.O.I. staff for all the hard work of organizing the gathering

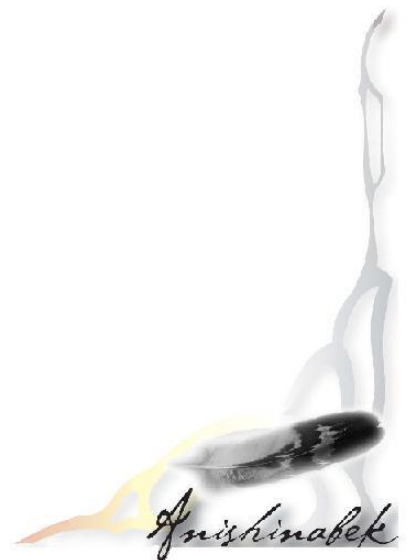

Potawatomi

Ba maa pii miiniwa
