

# The Anishinabek Nation invites you to the livestreamed *Inaugural Anishinaabe Giizhigad!*

**Monday, June 6, 2022**

**8:30 AM – 5:00 PM**

The Anishinabek Nation is celebrating our recently proclaimed national holiday, Anishinaabe Giizhigad, on June 6 to honour our past, present, and future! We are strengthening our Nation and providing a good future – an Anishinaabe future – for our children and future generations.

Our greatest strength is our Anishinaabe ways: language, culture, history, and traditions. This is how we have survived genocide and this is how we will strengthen our people and ensure our future. We have much to celebrate and we look forward to celebrating with you! Please join us via livestream on our official YouTube channel on June 6!
